JOINT MOTION FOR CONFIDENTIALITY ORDER

Pursuant to Fed. R. Civ. P. 26(c), the parties in the above-captioned matter hereby jointly move this Court to enter a confidentiality order in the form attached to this motion as Exhibit A.

In support of their motion, the parties state that:

1. This is a products liability case in which the discovery sought by the parties is likely to involve the production of documents and information containing business, competitive, proprietary, trade secret and witness testimony, which the parties believe must be kept confidential in order to prevent competitors from obtaining unfair competitive advantage.
2. The parties have agreed to enter into a confidentiality order to govern the production of documents and testimony that contains confidential information, and believe that the attached Stipulated Confidentiality Order will adequately protect all parties' legitimate confidentiality interests while facilitating full and efficient discovery of the relevant facts.
